

“Storytelling is the most powerful way to put ideas into the world.” - Robert Mckee

The Jr.K.G. Storytelling Competition at Little Angels’ Kindergarten was a resounding success, held on the 17th of February, 2026 to boost confidence, language skills, and imagination in young learners.

The tiny tots participated with immense enthusiasm, many arriving in vibrant costumes, carrying hand-made props like puppets, flashcards, and masks to bring their tales to life.

Popular stories were narrated like:

- ❖ **The Monkey and the Crocodile**
- ❖ **Three Sons and a Bundle of Sticks.**
- ❖ **The Frog and the Mouse.**

The event fostered creativity and provided a joyful platform for expression. It also helped improve vocabulary, voice modulation, and overcome stage fear.

The audience was captivated by the expressive narration, clear speech, and adorable gestures of the participants. The young storytellers used voice modulation and facial expressions to keep the listeners hooked. Most importantly, every story concluded with a moral lesson, highlighting values like kindness, courage and honesty.

Participants were evaluated by our judges Mrs. Maria Bertha Gomes and Ms. Jennifer Borges. Winners were awarded certificates of merit, while all participants were praised for their bravery and zestful performances.

The event was a heartwarming success, celebrating the creative spirits of the little ones and fostering a love for literature.
