

“Together We Grow: K.G. Celebrates Parents’ Day with Love and Laughter”

Parents are the greatest gift of God we have in our life, who’s place cannot be replaced by anyone else.

The Sr.K.G. Section of Little Angels’ Kindergarten celebrated Parents Day on 25th of July, 2026 with great joy and enthusiasm. The purpose of the celebration was to honour the role of parents as a child’s first teacher and to strengthen the bond between home and school.

The little stars of Sr. K.G. presented a heartwarming program: The day began with prayer to invoke God to shower each parent with abundant blessings for a long, happy and healthy life.

The teachers made the students to realize the commitment and sacrifices their parents put in everyday towards bringing them up in a safe environment and in nurturing their lives.

The students expressed their love and gratitude towards their parents with melodious song.

The students prepared creative cards for their parents.

Our talented young poets recited heartfelt poems, reflecting the bond between parents and children.

The students expressed that they were truly blessed to be born in an amazing family and to have such lovely parents in their lives.

A Parents Day celebration in school is not just a day of entertainment, but a meaningful learning experience. It teaches children the importance of respecting and valuing their elders. More importantly, it provides a perfect opportunity for parents and children to create beautiful memories together, reminding everyone that a parent's love is an invaluable gift that shapes us into who we are.

The celebration ended with a happy note with students promising to obey and respect their parents.

"Thank you, mom and dad, for being the light in my life and the strength behind all my dreams."
