

STORYTELLING COMPETITION

A vibrant and joyful Storytelling Competition was successfully conducted on Saturday, 14th February 2026, at Little Angels Kindergarten for the Pre-Primary Sr. KG students of Divisions A, B, and C. The event was filled with imagination, confidence, and creativity as our young storytellers took the stage to narrate a variety of unique and meaningful stories.

The students mesmerized everyone with their expressive narration, colorful story-based get-ups, and beautifully crafted creative props, which added life to each story. Every performance reflected not only the enthusiasm of the children but also the immense hard work, dedication, and creativity invested by their parents and teachers. Through relentless practice sessions and constant encouragement, the participants were guided to present their stories with clarity, expression, and confidence.

The competition was conducted under the able guidance of Sr. Nitya, the Supervisor of the Pre-Primary section, whose valuable support and direction played a vital role in the smooth execution of the event. The Sr. KG teachers, along with the Jr. KG teachers and peons, extended their wholehearted cooperation, ensuring that the programme was well organized and enjoyable for all.

We were honoured to have Ms. Sabina Tauro and Ms. Komal Maroly as the judges for the competition. Their encouragement, thoughtful evaluation, and kind words motivated the young participants and made the event even more special.

Overall, the competition was a delightful experience where students not only showcased their talents but also enjoyed every moment of participation, making it a memorable learning experience.

Benefits of Organizing the Storytelling Competition

- Enhances language, communication, and listening skills.**
- Boosts confidence and stage presence among students.**
- Encourages creativity, imagination, and self-expression. Develops memory, sequencing, and narration abilities**
- Promotes parent–teacher collaboration in a child’s learning journey.**
- Helps children overcome stage fear in a joyful and supportive environment.**
